Jim Warriner is an intellectual property attorney with a background in electrical engineering and computer science. He concentrates his practice on patent litigation, and his experience includes numerous matters filed in the Eastern District of Texas, one of the nation's most prolific venues for patent litigation. Prior to attending law school, Jim worked for several organizations, including Ford Motor Company and Symantec Corp., where he focused on computer networking and information security. His technical experience includes network routing and switching protocols, firewalls, intrusion detection systems, and security policy audits.

After law school, Jim clerked for the Honorable Chad Everingham in the United States District Court for the Eastern District of Texas.

- **Education**

2009 - J.D., with high honors, University of Texas School of Law

1999 - B.S., Electrical Engineering & Computer Science, Duke University

While in law school, Jim was the Chief Articles Editor for the *Texas Intellectual Property Law Journal*. He was admitted to the Order of the Coif and earned the Tom C. Clark Fellows Scholarship. At Duke, he was a Benjamin N. Duke Scholar.

Jim was licensed to practice in Texas in 2009 and is admitted to the United States District Courts for the Northern, Southern, Western and Eastern Districts of Texas.

- **Representative experience**

- Assisted in drafting successful motion for summary judgment of non-infringement
- Worked with expert witnesses and clients to prepare expert reports on validity and non-infringement
- Obtained dismissal due to lack of personal jurisdiction on behalf of *pro bono* client
- Obtained dismissals on account of *res judicata* and lack of standing in false marking cases
- Drafted answers, claim construction briefs, venue transfer motions, and discovery requests and responses in numerous patent infringement cases

- **Publications**

- Contributor, "Practical E-Discovery Issues," *The Advocate*, Summer 2010

- **Licenses**

- Texas State Bar License

- **Interests**

His interests include bicycling and beer brewing.
