1 recommendation

Brian Brotschi
Director, Services Product Management

Jim's technical and business acumen are awesome. His ability to clearly communicate complex concepts and detail, to audiences with varied level of knowledge is excellent. The depth of my trivial knowledge is shallow in comparison to Jim's. I... View

Brian Brotschi
Director, Services Product Management

“ Jim’s technical and business acumen are awesome. His ability to clearly communicate complex concepts and detail, to audiences with varied level of knowledge is excellent. The depth of my trivial knowledge is shallow in comparison to Jim’s. I would hire him again, and again.
January 11, 2006, Brian managed Jim at Symantec (formerly Sygate Technologies)
