CASE NO. 2:07-CV-089

ORDER

This order memorializes the court's order from the January 15, 2008, hearing granting in part IBM's motion (#50) to disqualify Susman Godfrey. Based on Mr. Langham's previous participation in penning a *Markman* order for Judge Gilmore involving patents common to this case, the court disqualifies Mr. Langham from further participation in this case. The balance of IBM's motion (#50) is denied.

SIGNED this 18th day of January, 2008.

CHARLES EVERINGHAM IV
UNITED STATES MAGISTRATE JUDGE
